New Westlaw New Zealand

Course: Search and Store for Barristers

Quick Description:

Speed up your research by learning how to search for and filter your words and phrases, using all the features provided by New Westlaw NZ including natural language, and typeahead, as well as Boolean searching.

Session Objectives

This course helps participants to build confidence in their search ability to find and save legal information using key terms and connectors. The primary focus of this course is to demonstrate the various search options available.

Learning Outcomes

- Explore various search options using New Westlaw's natural language and typeahead features
- Best portion – quickly find the key wording in your search results
- Find and use Terms & Connectors
- Navigate, filter, and refine search results
- Storing your results

Session Duration

Approximately 30 minutes

Session Delivery Methods

Online with Microsoft Teams. The Microsoft Teams meeting allows the participant to view the trainer's computer screen as they demonstrate New Westlaw. At no time does the trainer access your computer.
